centrifugal degassers, hydrogen sulfide mud gas separators, dual mud gas separators for horizontal drilling; rubber and metal mechanical o-ring seals used in equipment for oil and gas exploration and production; cutting machines and machine tools, namely, powered machines for cutting or shaping or finishing metals or other materials; precision machine tools, namely, hard metal tools, high speed steel (HSS) tools, carbide tools, ceramic tools, poly crystalline diamond (PCD) tools, and diamond-coated and diamond-uncoated tools, and hard metal tools, all for use in the cutting and forming of material by others; mechanical seals; air-operated power tools, namely, drills, grinders, and millers; drills for the mining industry; electric drills; pneumatic drills; power drills; power tools, namely, reamers; electric welding machines; laser welding machines; friction-stir welding tools; friction-stir welding machines; bits for mining machines; bits for power drills; core drilling bits; mining bits; tool bits for machines; bearings, as parts of machines; roller bearings for machines; pump diaphragms; machines, namely, cementing equipment used in oil and gas exploration and production; automatic vending machines; laser welding devices; welding electrodes.

Cl.9; Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; fire extinguishing apparatus; computer software and manuals distributed therewith to process data used for oil and gas exploration and production in locating, evaluating and producing hydrocarbons; firmware for digital enablement of oilfield tools; automated self-contained electronic surveillance devices that can be deployed to gather information in oil and gas exploration and production facilities; testing and measuring equipment used in oil and gas exploration and production facilities to test performance and efficiency of oil and gas well equipment; petroleum industry equipment, namely, electronic rig instrumentation for monitoring well pressure and volume of returned drilling fluid; micro- processor computer controlled rig floor monitors which monitor and display various drilling functions with alarms; electronic pit volume totalizers and return flow sensors for use in blow-out prevention or monitoring of drilling fluid pressure, temperature, viscosity, and composition; electronic drilling recorders, namely, microprocessor controlled drilling mud logging equipment for use in logging drilling fluid pressure, temperature, viscosity and composition; electric cables, fiber optic cables; cement testing machines; welding transformers; magnets for industrial purposes; magnets used in oil and gas exploration and production; hydrogen fuel cells; regulators and control devices for the use of geoenergy or geothermal power; computer software.

Cl.12; Tractors used in oil and gas exploration and production; trucks equipped with apparatus to conduct services well testing, evaluating, drilling, completing, producing and repairing rendered in connection with oil and gas wells, and for acquiring, processing, interpreting, storing, presenting and transmitting from one location to another of well site logging data; boats and barges equipped with pumping equipment for fracturing, acidizing, cementing, and sand control in connection with oil and gas wells; land vehicles for cable inspection and on-site oil and gas well measurements.

Cl.13; Explosive substances and projectiles, such as shaped charges, for use in perforating metal casing lining and oil well along with the adjoining earth formation; explosive substances and projectiles, such as shaped charges, for use in perforating metal casing lining and oil well along with the adjoining earth formation.

Cl.35; Managing the exploration, production and operations of gas and oil properties for others; online supply and procurement for others, namely, purchasing of goods and services related to the fields of oil and gas exploration and production; business planning and scheduling services in the field of drilling rigs and vessels used in oil and gas exploration and production; data processing services in the fields of oil and gas exploration and production; business consulting services for the energy industry related to establishing and improving business functions, namely, corporate and project strategies, organization management, operations management, operations improvement, technology management, mergers and acquisitions, and company integration.

Cl.37; Construction project management services for others in the fields of oil and gas exploration and production; oil and gas drilling; consulting services in the fields of oil and gas well drilling; fishing and retrieval services in the fields of oil and gas well drilling; artificial lift services in the fields of oil and gas well drilling; provision of equipment used to separate oil from water; rental of tools and drilling equipment in connection with the fields of geothermal resources, water management, and carbon dioxide storage and containment; repair and maintenance of oil and gas drilling equipment and facilities; subterranean well drilling services;

cementing services for oil and gas wells; drilling of wells; rental of drilling platforms; installation and maintenance of irrigation systems; irrigation devices installation and repair; perforating services in connection with the oil and gas industries; rental of equipment used in connection with irrigation services and oil and gas exploration and production; lithium extraction services.

Cl.39;Rental of tractors used in oil and gas exploration and production; waste oil collection for recycling; carbon storage services; hydrogen storage and distribution services.

Cl.40;Carbon capture services; hydrogen production.

Cl.41;Educational services, namely, conducting classes, seminars, conferences, and workshops in the fields of oil and gas exploration, measurement, detection, and production, geothermal resources, water management, storage and containment of carbon dioxide, and environmental issues and distribution of course material in connection therewith.

Cl.42;Providing information, news and commentary in the fields of oil and gas exploration; technical support services, namely, troubleshooting of computer software problems used in the fields of oil and gas exploration and production; updating of computer software for others; providing technical information updates of computer software used in the fields of oil and gas exploration and production; computer software consultation; consultation services in the fields of selection, testing, implementation and use of computer hardware and software systems for others; providing online information in the fields of computer software used in the fields of oil and gas exploration and production; testing, analysis, and evaluation of oil and gas reserves; oil and gas well drilling services, namely, providing measurements and downhole telemetry while drilling; engineering services in the field of environmental compliance; conducting environmental studies in the fields of oil and gas exploration and production, geothermal resources, water management, storage and containment or carbon dioxide; oil and gas well logging, testing, analysis, inspection, and sampling; performing oil and gas well diagnostics; oil and gas well surveying; surveying of oil-bearing seams; non-medical ultrasound imaging services in connection with oil and gas exploration; conducting magnetic resonance imaging interpretation and analysis for the oil and gas industries; recovery services in the fields of oil and gas exploration, to retrieve instruments and tools lost in a well; engineering services in the field of oil and gas production to restore a well to higher production levels; computer modeling services, namely, computer simulation of drilling processes and operation of facilities used in oil and gas exploration and production; engineering modeling and design of drilling.

Cl.9;Apparatus and instruments for conducting, distributing, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded and downloadable media; blank digital or analogue recording and storage media; mechanisms for coin-operated apparatus; cash registers, calculating devices; fire extinguishing apparatus; downloadable digital or numerical content; downloadable multimedia content; software including game software, application software including communication, networking and social networking software; data and file management and database software; media software and publishing software; office and business applications; artificial intelligence and machine learning software; software for monitoring, analyzing, controlling and running physical world operations; system and system-support software; firmware and device drivers, operating systems, utility software, security software and cryptography software; virtual and augmented reality software; web application and server software, including e-commerce and e-payment software; computer networking and data communications equipment; point-to-point communications equipment; broadcasting equipment; antennas and aerials as communications apparatus; data storage devices and media; replicating apparatus such as photocopiers, image scanners and printers; calculators; payment terminals; money dispensing and sorting devices including coin-operated mechanisms; computers and computer peripherals; computers and computer hardware; computer components and parts; personal digital assistants [PDAs];

audio/visual and photographic devices including audio devices and radio receivers; display devices, television receivers and film and video devices; image capturing and developing devices; signal cables for IT, AV and telecommunication technologies; magnets, magnetizers and demagnetizers; scientific and laboratory devices for treatment using electricity; apparatus and instruments for accumulating and storing electricity; apparatus and instruments for controlling electricity; photovoltaic apparatus for generating electricity; electrical and electronic components including electric cables and wires, electrical circuits and circuit boards, antennas and aerials as components; optical devices, enhancers and correctors, including optical enhancers, lasers, glasses, sunglasses and contact lenses; safety, security, protection and signalling devices, including alarms and warning equipment, access control devices, signalling apparatus; clothing for protection against accidents; fire protection clothing; spectacles for protection; diving equipment, including diving helmets, diving weight belts, diving suits, diving gloves, diving goggles, diving masks, diving earplugs, diving snorkels; breathing apparatus for underwater swimming; nose clips for divers and swimmers; navigation, guidance, tracking, targeting and map-making devices; controllers, voltage and power regulators; data loggers and recorders; sensors, detectors and monitoring instruments; educational simulators; measuring, detecting, monitoring and controlling devices, including testing and quality control devices; measuring devices including time measuring instruments (not including clocks and watches); weight measuring instruments; distance and dimension measuring instruments; speed measuring instruments; temperature measuring instruments; electricity measuring instruments; downloadable audio and video recordings containing sports highlights authenticated by non-fungible tokens (NFTs); downloadable multimedia file containing text, audio and video of sports events authenticated by non-fungible tokens (NFTs); encoded registration tokens authenticating virtual products, including clothing, footwear, hats and caps, leather goods, bags, sports bags, backpacks, cases, umbrellas, badges, wallets, jewelry, medals, games, toys, soft toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, vehicles, cars, bicycles, scooters, golf carts, airplanes, boats, barges, fireworks, weapons, musical instruments, sunglasses, eyewear, table and bed linen, cosmetics, perfumery, dietary supplements, horological and chronometric instruments, watches, posters, stationery, printed matter, building materials, transportable and non-transportable constructions, tires, wheel rims, vehicle accessories, helmets, headphones, telephones, mobile phone covers, Christmas tree decorations, household and kitchen utensils and containers, glassware, porcelain ware, figurines, works of art, statuettes, ready-to-eat meals, foodstuffs, drinks, collectables, all intended for use in online games and virtual online environments; computer programs and downloadable software that may virtually represent namely clothing, footwear, hats and caps, leather goods, bags, sports bags, backpacks, cases, umbrellas, badges, wallets, jewelry, medals, games, toys, soft toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, vehicles, cars, bicycles, scooters, golf carts, airplanes, boats, barges, fireworks, weapons, musical instruments, sunglasses, eyewear, table and bed linen, cosmetics, perfumery, dietary supplements, horological and chronometric instruments, watches, posters, stationery, printed matter, building materials, transportable and non transportable constructions, tires, wheel rims, vehicle accessories, helmets, headphones, telephones, mobile phone covers, Christmas tree decorations, household and kitchen utensils and containers, glassware, porcelain ware, figurines, works of art, statuettes, ready- to-eat meals, foodstuffs, drinks, collectables, all intended for use in online games and in online virtual environments; downloadable computer applications available online from virtual worlds; downloadable digital files authenticated by non-fungible tokens (NFTs) enabling authenticity, ownership, availability and trading of digital creative assets on software platforms; digital collectibles represented by non-fungible cryptographic tokens through a blockchain network and distributed registries; downloadable digital files authenticated by non-fungible tokens (NFTs) used with private or public blockchain technology or distributed ledger technology; downloadable computer programs containing downloadable virtual goods and accessories for use online and in online virtual worlds; downloadable computer software used for electronic commerce, storing, sending, receiving, accepting and transmitting digital currencies and managing digital currency payments and foreign exchange transactions; downloadable digital files authenticated by non-fungible tokens (NFTs) used with blockchain technology; digital collectibles represented by non-fungible cryptographic tokens via a blockchain; downloadable image files containing trading cards authenticated by non-fungible tokens (NFTs); downloadable image files containing illustrations authenticated by non fungible tokens (NFTs); downloadable multimedia file containing text, audio and video authenticated by non-fungible tokens (NFTs); downloadable digital files authenticated by non fungible tokens (NFTs) used offline and/or in online virtual worlds; downloadable software for managing cryptocurrency transactions using blockchain technology; physical crypto-currency wallets; downloadable software for generating cryptographic keys for receiving and spending cryptocurrency; downloadable digital files authenticated by non-

fungible tokens (NFTs) or software that can virtually represent goods; software that can virtually represent clothing, footwear, hats and caps, leather goods, bags, sports bags, backpacks, cases, umbrellas, badges, wallets, jewelry, medals, games, toys, soft toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, vehicles, cars, bicycles, scooters, golf carts, airplanes, boats, barges, fireworks, weapons, musical instruments, sunglasses, eyewear, table and bed linen, cosmetics, perfumery, dietary supplements, horological and chronometric instruments, watches, posters, stationery, printed matter, building materials, transportable and non-transportable constructions, tires, wheel rims, vehicle accessories, helmets, headphones, telephones, mobile phone covers, Christmas tree decorations, household and kitchen utensils and containers, glassware, porcelain ware, figurines, works of art, statuettes, ready-to-eat meals, foodstuffs, drinks, collectables incorporating short-range, high-frequency wireless communication technology (NFC); downloadable virtual products, namely computer programs that can virtually represent clothing, footwear, hats and caps, leather goods, bags, sports bags, backpacks, cases, umbrellas, badges, wallets, jewelry, medals, games, toys, soft toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, vehicles, cars, bicycles, scooters, golf carts, airplanes, boats, barges, fireworks, weapons, musical instruments, sunglasses, eyewear, table and bed linen, cosmetics, perfumery, dietary supplements, horological and chronometric instruments, watches, posters, stationery, printed matter, building materials, transportable and non-transportable constructions, tires, wheel rims, vehicle accessories, helmets, headphones, telephones, mobile phone covers, Christmas tree decorations, household and kitchen utensils and containers, glassware, porcelain ware, figurines, works of art, statuettes, ready-to-eat meals, foodstuffs, drinks, collectables and other non-fungible tokens intended for use online and in online virtual environments; downloadable virtual reality game software; downloadable electronic game software; electronic newsletters; downloadable digital files authenticated by non-fungible blockchain-based tokens; downloadable digital photographs; electronic tags for product authentication purposes, including clothing, footwear, hats and caps, leather goods, bags, sports bags, backpacks, cases, umbrellas, badges, wallets, jewelry, medals, games, toys, soft toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, vehicles, cars, bicycles, scooters, golf carts, airplanes, boats, barges, fireworks, weapons, musical instruments, sunglasses, eyewear, table and bed linen, cosmetics, perfumery, dietary supplements, horological and chronometric instruments, watches, posters, stationery, printed matter, building materials, transportable and non-transportable constructions, tires, wheel rims, vehicle accessories, helmets, headphones, telephones, mobile phone covers, Christmas tree decorations, household and kitchen utensils and containers, glassware, porcelain ware, figurines, works of art, statuettes, ready- to-eat meals, foodstuffs, drinks, collectables; blank virtual recording and storage media; blank virtual recording and storage media encrypted for authentication; virtual reality goggles; downloadable software for generating cryptographic keys; downloadable computer programs that can virtually represent clothing, footwear, hats and caps, leather goods, bags, sports bags, backpacks, cases, umbrellas, badges, wallets, jewelry, medals, games, toys, soft toys, sports goods, sports clothing, sports footwear, balls and other articles and equipment for sport, protective equipment for sport, vehicles, cars, bicycles, scooters, golf carts, airplanes, boats, barges, fireworks, weapons, musical instruments, sunglasses, eyewear, table and bed linen, cosmetics, perfumery, dietary supplements, horological and chronometric instruments, watches, posters, stationery, printed matter, building materials, transportable and non-transportable constructions, tires, wheel rims, vehicle accessories, helmets, headphones, telephones, mobile phone covers, Christmas tree decorations, household and kitchen utensils and containers, glassware, porcelain ware, figurines, works of art, statuettes, ready-to-eat meals, foodstuffs, drinks, collectables, all intended for use online and in online virtual worlds; downloadable computer software for the creation, production and modification of digital animated and non-animated designs and characters, avatars, digital overlays and skins for access and use in online environments, virtual online environments, and extended reality virtual environments; downloadable software for engaging in social networking and interacting with online communities; downloadable software for accessing and streaming multimedia sporting and entertainment content; downloadable software for providing access to an online virtual environment.

Cl.14;Precious metals and their alloys; Jewelry, precious and semi-precious stones; clocks and chronometric instruments; semi-precious stones; precious stones, pearls and precious metals; jewelry articles; time-measuring instruments; jewelry boxes and watch boxes; key rings and key chains and their charms; medallions; medals; commemorative medals; medals of precious metal; coins, commemorative coins, statues and figurines, made of or protected by precious or semi-precious metals or precious stones.

Cl.16;Paper and paperboard; Printing products; bookbinding materials; photographs [printed]; stationery and office supplies (except furniture); adhesives for stationery or household purposes; drawing supplies and artists' materials; paint brushes; instructional materials except apparatus; printing type, printing blocks; art objects, paper and cardboard figurines, architectural models; paper filtering equipment; articles and materials for artistic, craft and model-making activities for decoration and art, and their supports; bags and wrapping, packaging and storage goods of paper, paperboard or plastic; stationery and school supplies, including writing and stamping implements, correcting and erasing implements; bookbinding and printing apparatus and machines (office equipment); printed educational materials and printed educational aids; photo albums and scrapbooks for collectors; printing products including books; paper and paperboard, including paper and paperboard for industrial use; paper party decorations; paper bags for disposable diapers, disposable paper napkins.

Cl.18;Leather and imitations of leather; Animal skins and hides; luggage and transport bags; umbrellas and parasols; walking sticks; whips and saddlery; animal harnesses; collars, leashes and clothing for animals; mountaineering sticks; hiking sticks; purses (coin purses); wheeled shopping bags; vanity cases for toiletries; covers for animals; slings for carrying infants; key cases; knee-pads for horses; trunks [luggage]; attaché cases; sling bag for carrying babies; card cases [wallets]; business card cases; wallets; saddlebags; backpacks; shopping bags; beach bags; handbags; traveling bags; sports bags; garment bags for travel; document cases; saddle cloths for horses; travel sets [leatherware]; suitcases; riding crops; saddle pads, covers and cloths for horse riding; bags of leather for climbers; briefcases of leather [leather goods]; school bags; leather straps.

Cl.25;Clothing, footwear, headwear; Bandanas [neckerchiefs]; teddies [underclothing]; caps being headwear; belts [clothing]; pullovers; hats; socks; sports shoes; shirts; studs for football boots; suits; ties; sports singlets; gloves [clothing]; jerseys [clothing]; skirts; kimonos; leggings [trousers]; sports jerseys; bathing suits; coats; trousers; slippers; bathrobes; pajamas; dresses; soles for footwear; brassieres; tee-shirts; jackets; underwear; non-slipping devices for footwear; stockings; non-paper bibs; bathing caps; hoods [clothing]; money belts [clothing]; waterproof clothing; athletic wear; sportswear.

Cl.28;Games and toys; Video game apparatus; gymnastic and sporting articles; Christmas tree decorations; gymnastic apparatus; sports articles and equipment; camouflage screens for hunting, scented lures for hunting or fishing; hunting calls, fishing tackle, fishing rods; fishing nets and rod cases; fishing floats, fishing hooks and fishing lines; party balloons, party table bombs and artificial Christmas trees; fairground rides, playground climbing equipment, playground seesaws; toys, games and playground equipment; board games and gambling machines; swimming armbands and swimming belts; flotation devices in the form of recreational swim boards; foam swimming floats and inflatable swimming floats; webbed swimming gloves, swimming vests, swim boards and swimming straps.

Cl.35;Business management services; Business administration; office function services; advertising, marketing and promotional services; public relations services; product demonstrations and product display services; organization of trade fairs and exhibitions; administration of consumer loyalty programs; distribution of advertising, marketing and promotional material; consultancy, advice and assistance for advertising, marketing and promotion; provision and rental of advertising space, time and media; auctioneering services; rental of vending machines; business assistance, management and administrative services; accounting, bookkeeping and auditing services; administrative support and data processing services; data processing, systematization and management; human resources management and personnel recruitment services; business consultancy and advisory services; business analysis and information services; market studies; rental of office machines and equipment; retail and wholesale services in relation to clothing, footwear, headwear, and fashion accessories; retail and wholesale services in relation to leather and imitations of leather; retail and wholesale services in relation to luggage, bags, wallets and all-purpose bags, umbrellas and parasols, collars, leashes and animal clothing; retail and wholesale services in relation to preserved, frozen, dried and cooked fruit and vegetables, milk, cheese, butter, yoghurt and other dairy products; retail and wholesale services in relation to coffee, tea, cocoa and coffee substitutes, chocolate, ice cream, sherbet and other edible ice, ices for cooling [frozen water]; retail and wholesale services in relation to beer, non-alcoholic beverages, mineral and aerated waters, fruit juices [drinks], syrups and other non-alcoholic preparations for making beverages; retail and wholesale services in relation to industrial, scientific and photographic chemicals and agricultural, horticultural and forestry chemicals; retail and wholesale services in relation to raw synthetic resins, raw plastics, compost, manure, fertilizers, biological preparations for industry and science, synthetic resins, and chemical intermediates; retail and wholesale services in relation to chemicals, biochemicals and reagents used in industry, science and research; retail

and wholesale services in relation to chemical preparations for cell separation and culture, chemical preparations for the purification of nucleic acids, nucleotides, fluorescent nucleotides, oligonucleotides, peptides, proteins, amino acids, organic molecules and markers for DNA/RNA synthesis; retail and wholesale services in relation to gases and gas mixtures for industrial, scientific and research purposes; retail and wholesale services in relation to chemicals and substances for the manufacture of pharmaceuticals for scientific and laboratory use; retail and wholesale services in relation to the manufacture of diagnostic products and substances for scientific and laboratory use; retail and wholesale services in relation to diagnostic products and substances, chemical analysis reagents, saline solution and reagent-coated paper, all for scientific and laboratory use; retail and wholesale services in relation to radioactive elements and isotopes for industrial, scientific and research use; retail and wholesale services in relation to radiopharmaceuticals for scientific and research use; retail and wholesale services in relation to non-medicated cosmetics and toiletry preparations, perfumery products and essential oils; retail and wholesale services in relation to body cleansing and beauty care preparations, including make-up, soaps and gels; retail and wholesale services in relation to bathing cosmetics, deodorants and antiperspirants, skin, eye and nail care products; retail and wholesale services in relation to hair preparations and treatments, shaving and depilatory preparations, cleaning and perfuming preparations, including household perfumes; retail and wholesale in relation to pharmaceuticals, medical and veterinary preparations; retail and wholesale in relation to hygienic products for medical use, foodstuffs and dietetic substances adapted for medical or veterinary use; retail and wholesale services in relation to food for babies, dietary supplements for humans and animals; retail and wholesale services in relation to plasters, dressing materials, material for stopping teeth and dental waxes; retail and wholesale services in relation to disinfectants, fungicides and herbicides; retail and wholesale services in relation to diagnostic substances for medical use, radiopharmaceuticals for clinical and medical use; retail and wholesale services in relation to diapers and disposable sanitary napkins of paper or cellulose; retail and wholesale services in relation to machines, machine tools, power-operated tools, engines and motorized machinery, except for land vehicles; retail and wholesale services in relation to apparatus, equipment and instruments for the production of electricity, namely electricity generators and windmills producing electricity, wind turbines connected to wind farms; retail and wholesale services in relation to turbine generating plants, namely power generating plants and their parts and components; retail and wholesale services in relation to solar power generators, machines and machine systems, including their parts and components for power generation, transformation and conversion dynamos; retail and wholesale services in relation to electric motors of all kinds, steam and gas turbines and parts thereof, electric generators and parts thereof; retail and wholesale services in relation to aircraft engines, compressors; retail and wholesale services in relation to washing and drying machines, dishwashers, waste disposals and compactors, electric tools; retail and wholesale services in relation to garden tools, electric lawn mowers, garden sprays for disinfectants and insecticides; retail and wholesale services in relation to electric hand tools and implements, blenders, centrifuges, hand-held mixers and food processors; retail and wholesale services in relation to apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; retail and wholesale services in relation to recorded and downloadable media; retail and wholesale services in relation to computer software; retail and wholesale services in relation to blank digital or analogue recording and storage media; retail and wholesale services in relation to computers and computer peripherals; retail and wholesale services in relation to downloadable digital content, downloadable multimedia content; retail and wholesale services in relation to software, including game software; retail and wholesale services in relation to application software, including communication, networking and social networking software; retail and wholesale services in relation to data and file management and database software; retail and wholesale services in relation to media and publishing software; retail and wholesale services in relation to office and business applications; retail and wholesale services in relation to web and server application software, including e-commerce and e-payment software; retail and wholesale services in relation to communication devices such as computer networking and data communication equipment; retail and wholesale of point-to-point communication devices; retail and wholesale services in relation to broadcasting devices; retail and wholesale services in relation to antennas as communication devices; retail and wholesale services in relation to data storage devices and media; retail and wholesale services in relation to calculators; retail and wholesale services in relation to ticket dispensers; retail and wholesale services in relation to payment terminal devices; retail and wholesale services in relation to money dispensers and money sorting devices, including mechanisms for pre-payment devices; retail and wholesale services in relation to peripherals adapted for use with computers and other smart devices; retail and wholesale services in relation to computers and computer equipment; retail and wholesale services in relation to computer components and parts; retail and wholesale services in relation to audio-visual and photographic devices including audio devices and radio

receivers; retail and wholesale services in relation to display devices; retail and wholesale services in relation to television receivers and cinematographic and video devices; retail and wholesale services in relation to image capturing and developing devices; retail and wholesale services in relation to [optical] eyeglasses, sunglasses; retail and wholesale services in relation to safety, security, protection and signalling devices, including alarms and warning equipment; retail and wholesale services in relation to access control devices; retail and wholesale services in relation to measuring devices, including time-measuring instruments (except clocks and watches); retail and wholesale services in relation to weight-measuring instruments; retail and wholesale services in relation to distance-measuring, dimension-measuring instruments; retail and wholesale services in relation to speed measuring instruments; retail and wholesale services in relation to temperature measuring instruments; retail and wholesale services in relation to electricity measuring instruments; retail and wholesale services in relation to controllers, voltage and power regulators; retail and wholesale services in relation to data recorders, sensors, detectors and monitoring instruments; retail and wholesale services in relation to surgical, medical, dental and veterinary apparatus and instruments; retail and wholesale services in relation to mobility aids; retail and wholesale services in relation to orthopedic articles; retail and wholesale services in relation to suture materials; retail and wholesale services in relation to therapeutic and assistive devices adapted for disabled persons; retail and wholesale services in relation to massage devices; retail and wholesale services in relation to childcare equipment, devices and articles; retail and wholesale services in relation to systems comprising medical devices and accessories for the administration of measured doses of pharmaceutical preparations; retail and wholesale services in relation to medical diagnostic equipment, namely bone densitometers; retail and wholesale services in relation to ultrasound imaging equipment for medical diagnosis; retail and wholesale services in relation to imaging devices for screening and diagnostic applications for surgical planning, and parts and accessories thereof; retail and wholesale services in relation to mobile X-ray equipment; retail and wholesale services in relation to X-ray film viewers; retail and wholesale services in relation to CAT scanners for medical diagnosis; retail and wholesale services in relation to laser equipment for medical treatment; retail and wholesale services in relation to hearing aids; retail and wholesale services in relation to vehicles, apparatus for locomotion by land, air or water; retail and wholesale services of electric motors and diesel engines for land vehicles; retail and wholesale services in relation to bicycles, bicycle tires and tubes; retail and wholesale services in relation to automatic vehicles; retail and wholesale services in relation to electric bicycles; retail and wholesale services in relation to tires and tubes for vehicle tires, wheel rims [for motor vehicles]; retail and wholesale services in relation to precious metals and their alloys; retail and wholesale services in relation to jewelry, precious and semi-precious stones; retail and wholesale services in relation to clocks and chronometric instruments; retail and wholesale services in relation to pearls and imitations thereof; retail and wholesale services in relation to statues and figurines made of or coated with metals or precious or semi-precious stones, or in imitation thereof; retail and wholesale services in relation to decorative articles made of, coated with or in imitation of metals or precious or semi-precious stones; retail and wholesale services in relation to jewelry boxes and watch cases; retail and wholesale services in relation to key rings and key chains and their charms; retail and wholesale services in relation to medallions, medals; retail and wholesale services in relation to paper and cardboard; retail and wholesale services in relation to printing products; retail and wholesale services in relation to [printed] photographs; retail and wholesale services in relation to instructional material, except apparatus; retail and wholesale services in relation to plastic and paper bags, sacks, films and foils for packaging; retail and wholesale services in relation to paper and cardboard art objects and figurines, articles and materials for decorative and artistic activities, including artistic, craft and model-making equipment; retail and wholesale in relation to bags and packing, wrapping and storage articles of paper, cardboard or plastic; retail and wholesale services in relation to educational equipment; retail and wholesale services in relation to photo albums and collectors' albums; retail and wholesale services in relation to printed matter, including books; retail and wholesale services in relation to plastic bags for disposable nappies, disposable paper napkins; retail and wholesale services in relation to non-metallic building materials; retail and wholesale services in relation to non-metallic rigid building pipes; retail and wholesale services in relation to pitch, tar, bitumen and asphalt; retail and wholesale services in relation to thermoplastic building materials and building materials, including molded and extruded thermoplastic materials used as substitutes for wood, metal or glass, for supporting or covering, plastic panels for building and construction; retail and wholesale services in relation to household utensils and containers; retail and wholesale services in relation to tableware, except forks, knives and spoons; retail and wholesale services in relation to combs and sponges; digital electronic controllers; process control digital controllers; wireless remote controls for portable electronic devices and computers; thermal controls; remote control transmitters; intelligent motor control devices; remote controls for motors; valves (electronic controls for automatically operating -); electronic controllers for servo motors; flow control installations [electric]; time regulating apparatus; universal remote controls; programmable timers; remote control apparatus for controlling lighting; remote controls for multimedia systems; home remote controls; remote controllers for controlling electronic products; electric timers; electronic control apparatus for use in operating valves; valves (electric controls for automatically operating -); electric control devices for energy management; control stations (remote, electric or electronic -); climate control digital thermostats; lighting control apparatus; sound activated control apparatus for lighting installations; electronic timing control instruments; electronic kitchen timers; electronic control sensors for motors; monitoring control apparatus [electric]; remote controls for operating vehicle alarms; electronic key fobs being remote control apparatus; audio/visual and photographic devices; signal cables for IT, AV and telecommunication; communications equipment; time programmers; time division multiplexers; video multiplexers; carrying cases for cellular phones; wearable monitors; home automation hubs; signal decoders; acoustic transformers; optical receivers; multimedia multiplexers; wireless keypads; radio-frequency identification (RFID) tags; receiving terminals for signals; electronic interactive whiteboards; electronic diaries; electrical amplifiers; wireless keyboards; digital signal processing apparatus; demultiplexers; decoders; DVD burners; analogue convertors; mounting brackets adapted for

computers; home automation systems; home automation devices; multiport controllers; portable scanners; 3D scanners; audio devices and radio receivers; portable speaker docks; multifunctional remote controls; video tuners; sound mixing apparatus; subwoofers; loudspeaker cables; speakers for portable media players; racks for loudspeakers; wearable speakers; wireless speakers; monitor speakers; audio compressors; stereo tuners; luminous USB cables; audio cable; coaxial cables; ethernet cables; audio processing apparatus; USB card readers; vehicle speed control apparatus and instruments; indicator lamps as parts of switchboards; meteorological instruments; generators (signal -); insulation testers; digital function generators; resistance testing apparatus; portable test apparatus; smoke alarm testers; testing probes, other than for medical purposes; testing apparatus for testing printed circuit boards; testing devices for electronic parts; test adapters for testing printed circuit boards; continuity testers; audio testing apparatus; audio cable testers; circuit testing instruments; voltage monitoring units; voltage testers; testing apparatus and instruments; apparatus for diagnosing electrical power installations; earth testers; electronic testing apparatus for use in the field of telecommunications; electrical test apparatus; mains testers (electric -); timers for automatic apparatus; thermal energy measuring apparatus; anemometers; volumetric measuring apparatus; universal timers; ultrasonic measuring apparatus; pocket scales; acidimeters for batteries; sound level meters; rain gauges; phase angle meters; optical measurement apparatus; gauges with digital readout; noisemeters; luminoflux meters; laser measuring systems; body fat scales for household use; coordinate measuring instruments; instruments for surveying physical data; time and date recording apparatus; antenna parameter measuring apparatus; housings for measuring apparatus; level transmitters; level measuring machines [for surveying]; frequency meters; photographic exposure meters; connected bracelets [measuring instruments]; fine dust measuring apparatus; ergometers; electronic rain gauges; measuring devices, electric; pressure measuring apparatus; wireless weather stations; digital measuring apparatus; decibel meters; stress gauges; acceleration sensors; barometers; audio timers; hydrometers; electronic distance meters; temperature sensors; multimeters; electric flow meters; smart meters; digital multimeters; resistance measuring instruments; wattmeters; electricity measuring instruments; electrical voltage tester pens; millivolt meters; power meters; electric current meters; digital panel meters; wideband phase-angle voltmeters; test probes [electrical]; earth test leads [electrical]; electronic timing apparatus; heat sensors; ultrasonic sensors; electric loss indicators; voltage detectors; voltage monitor modules; sensors for measuring speed; sensors for determining position; automatic solar tracking sensors; sensors used in meteorology; Internet of Things [IoT] sensors; sensors for measuring instruments; piezoelectric sensors; object detecting sensors; proximity sensors; measuring sensors; light sensors; laser detectors; LED position sensors; cable locators; gyro sensors using GPS functions; liquid level sensors; remote temperature sensors; digital sensors; detectors; sensors for use in the control of engines; temperature monitors for industrial use; temperature monitors for household use; pyroelectric infrared sensors; photoelectric sensors; apparatus for monitoring water consumption; apparatus for monitoring heat consumption; invader sensors; electronic motion sensitive switches; apparatus for monitoring electrical energy consumption; apparatus for monitoring gas consumption; electronic measurement sensors; temperature monitors for scientific use; water leakage detection alarms; electric current sensors; flame detectors; electric alarms for fire; anti-theft warning apparatus; alarm monitoring systems; safety clothing for protection against accident or injury; anti-fogging safety goggles; electronic personal alarm devices; reflective clothing for the prevention of accidents; armbands [luminous] for protection against accident or injury; motion sensors for security lights; downloadable multimedia files; computer digital maps; recorded data files; motion control software; machine control software; software to control building environmental, access and security systems; lighting control software for use in commercial and industrial facilities; computer software for the control of lighting; fire detection software; application software to control lighting; computer software for audibly controlling a computer and the operation thereof; computer applications for automotive control; computer software for time control; testware; computer software designed to estimate resource requirements; simulation software [entertainment]; computer software for controlling the operation of audio and video devices; computer software for controlling and managing access server applications; computer software for the remote control of telephone sets and radiotelephony sets; computer software for the remote control of electric lighting apparatus; USB web keys for automatically launching pre-programmed website URLs; interactive DVDs; downloadable electronic newsletters; measuring devices; satellite finder meters; heat sensing identification indicators; wind socks for indicating wind direction; wind pressure gauges; transducer energisers; ultrasonic transducers; thermosensitive temperature indicator strips; dust measuring apparatus; sunshine recorders; phase indicators; low power microcontrollers; logic probes; light detection and ranging [LIDAR] apparatus; luminous indicators; wireless controllers to remotely monitor and control the function and status of security systems; air traffic control apparatus; vehicle speed control

systems; job performance recorders; apparatus for measuring, monitoring and analyzing electricity consumption; electricity indicators; pressure transducers; drone detection systems; digital indicators; light detection and ranging [LIDAR] apparatus for vehicles; downloadable and recorded content; measuring, detecting, monitoring and controlling devices; information technology and audio-visual, multimedia and photographic devices; apparatus, instruments and cables for electricity; magnetic pens; demagnetisers; decorative magnets; polarization filters; infrared optical apparatus; simulators for the steering and control of vehicles; magnetic agitators for laboratory use; TV simulators for deterring burglars; ovens for laboratory experiments; ultrasonic cleaning instruments for laboratory use; microwave ovens for laboratory use; LED microscopes; electronic instructional and teaching apparatus and instruments; digital weather stations; GPS transmitters; personnel tracking devices; navigation apparatus and instruments; global positioning systems for use with bicycles; cases for satellite navigation devices; GPS receivers; target location apparatus [electronic]; electronic navigational and positioning apparatus and instruments; electronic devices used to locate lost articles employing the global positioning system or cellular communication networks; target location apparatus [electric]; dashboard mounts for navigation devices; apparatus and instruments for geolocation; wearable activity trackers; access control devices; alarms and warning equipment; driver assistance systems for motor vehicles; electronic security tags; electronic tags; sirens; rescue laser signalling flares; beacon lamps; electronic doorbells featuring a camera; emergency signal transmitters; illuminated signposts; warning signs [luminous]; apparatus for verifying data on magnetically encoded cards; radio operated door lock controls; electrical access control apparatus; locks, electric; biometric locks; smart locks; digital door locks; access control units (automatic -); alarm central units; security cameras; whistles [warning apparatus]; smoke alarms; electronic burglar alarms; electronic anti-theft alarms; electronic anti theft devices; theft prevention installations, electric; burglar alarms; alarm signalling receivers; acoustic alarms; voltage testers for cars.
